

NAVY FEDERAL WELCOMES  
ARMY & AIR FORCE

## Our door is open to more of your clients than you think.

**Not only has our field of membership expanded, but there are more ways than one to qualify for eligibility at Navy Federal.** Our primary field of membership now includes all Department of Defense active duty, retired, reserve, National Guard, civilian and on-base contractor personnel. Once any person in those categories joins, all of their immediate family members can join, too!

Once an immediate family member joins, then their immediate family can join, and so on and so on...

That's not all! A person who fulfills our primary membership criteria, but has not yet joined, may still have immediate family members join Navy Federal. Even though he or she may not be a member, their immediate family is always eligible.
